

## THE NEW MEXICO GENERAL EDUCATION COMMON CORE

The New Mexico Common Core is designated general education courses guaranteed to transfer to any New Mexico public college or university. Designated courses include a prefix that identifies the subject area and a “common course number” that serves as a single reference point for courses taught throughout the state that share substantially equivalent content. A complete list of approved courses can be found on the New Mexico Higher Education Department web site at <http://www.hed.state.nm.us/colleges/matrix.asp>.
